

Three-Season Summerhouse

(Top photo) Picture yourself in an 18' x 24' Summerhouse with optional French grills. Walls are stained with semi-transparent Yankee Barn, roof is Riverwood, grills, ring and cap are a solid hide stain, Black Alder. (Above) An elegant slate floor was applied over the concrete pad for this 18' x 24' Summerhouse.

The ultimate in three-season structures, a Garden Getaway Summerhouse presents a serene space alight with all-encompassing views of the outdoors.

The same quality components and assembly methods used in our gazebos are put into our summerhouses so you are assured years of comfort and enjoyment. Tempered glass, sliding windows and full screens allow you to enjoy nature in comfort for three seasons. Add a gas stove or electric heater and enjoy a winter view of nature's wonder. We offer 12' x 18', 18' x 18' and 18' x 24' standard sizes.

Summerhouses make excellent cottages, poolside room, studios or exercise areas. Expand the possibilities further by adding a bathroom or kitchen nook. From the two-tier roof to the polyurethane coated floors, the lasting beauty of a Garden Getaway Summerhouse will be a source of pride and pleasure and a gracious addition to your property.

This 18' x 24' Summerhouse features mahogany finish on the floor and cherry finish on walls and ceiling. The 24" high wall under the windows creates an unobstructed view.

See insert for pricing.

*14'6" x 20'6" Oval Summerhouse
with standard brackets finished with
a white painted exterior.*

Our Three-Season Summerhouse two tier roofs are constructed with 100% clear vertical grain 5/8" taper sawn cedar shakes which provide a natural insulation, keeping the ceiling cool in the summer and retaining warmth in the winter. Two tier roof included with all summerhouses.

We apply 4 coats of clear satin polyurethane to each knotty western red cedar floor section which is pre-drilled for 5/8" dowels that are installed at the site. Hidden fasteners give our floors a beautiful clean look.

14'6" x 20'6" Oval Summerhouse with standard brackets (uppers only), a blend of 4 natural stone veneers installed with our standard foundation.

Weathered grey stain, our most popular exterior finish, allows the wood to evenly weather grey for a natural maintenance-free exterior.

This 18' x 18' Summerhouse has a hot tub and plenty of room for entertaining family and friends.

This Three-Season Summerhouse has been customized to serve as a lake cottage complete with kitchenette and bath.

At Left:

This view of nine 6' x 6' deck sections shows the space available in an 18' x 18' Summerhouse. These Three-Season Summerhouses with tempered glass sliding windows have a bright, unobstructed view.
